## WONDERFUL CURE.

Testimonial of Miss M. Chambers of Peoria, Ill.

Well and Happy.

MISS M. CHAMBERS,  
Peoria, Ill.

"My trouble commenced with Catarrh. It settled on my Bronchial Tube and Lungs. I had nine hemorrhages in 20 days. My lungs would pain me so at times I could hardly stand it. I read of the success of the Physicians of the Scott Medical Institute. I took their treatment sent by express. I never was at their office, but I am CURED. This was 18 months ago. I have not had any bleeding of lungs since and have gained 23 pounds."

HAVE YOU THESE SYMPTOMS?  
"A burning pain behind the breast bone, shooting pains through chest, stitch in the side, tenderness in the upper part of chest, cough tickling or burning of throat. Breath short on exertion and of a wheezing sound, tightness across chest, loss of strength and flesh, night sweats, mucus sometimes streaked with blood."

These are the prominent symptoms of Bronchial Catarrh. It can be cured if the Lung Tissue is not diseased.

Mrs. Gage's Hope.

Mrs. Matilda Joselyn Gage, who is the representative of the Woman Suffrage party for the state of New York, is an older worker in the cause than Susan B. Anthony. She told the New York City League the other evening that Miss Anthony was not favorably impressed with the idea of woman suffrage at first. Mrs. Gage bases a hope for general interest in the work upon this fact, for she says, "If Susan could change so decidedly, I don't see why other people may not."

British Rule in Matabeleland.  
By the surrender of King Lo Bangula and his warriors the British have entered into full possession of Matabeleland. The campaign against the blacks has been short and sanguinary. It now remains for the whites to get all they can out of the country which has been wrested from its native inhabitants to develop the "gold reefs" known to exist there, which are believed to be even richer than those of Johannesburg, to establish peace among the tribes and to introduce civilization under an orderly government.—New York Sun.

"I used Dr. Bull's Cough Syrup in my family, and found its work marvelous. No household is complete without it. Chas. Schober, 32 Norris street, Baltimore, Md."

## KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative, effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

## LADIES MUST GO.

OUR ENTIRE STOCK OF

Ladies' Misses' and Children's Footwear

At less than manufacturer's cost.

The men's and boys' shoes will soon join our clothing stock. Having decided to reunite the men's and boys' shoes with the clothing stock, and not having sufficient room for all, we are selling out our entire stock of ladies' and misses' shoes less the following reductions: Some at one-fourth off, some at one-third off, some at one-half off, and some at less than one-half off.

It's a pity to sacrifice our fine stock of Ladies' Shoes, particularly when this has been one of our most successful departments, but being unable to secure more store room it's the only recourse. With the big reductions they are moving fast. It's a chance in a life time. Don't miss it.
